## **Supporting Background Information:**

In the wake of a lengthy and contentious special exception hearing last year, the Board of Appeals has identified multiple housekeeping and more substantial changes to the City Code that would enable the Board to review special exception, variance and administrative review petitions with more precision. The Board met over several work sessions to identify and propose revisions to Chapter 24. Additionally, a text amendment is proposed to Chapter 16.

A public hearing was held on July 1, 2013. No testimony has been received and no changes have been made to the draft ordinance since the July 1, 2013 public hearing. The final draft ordinance is included as Exhibit #5.
